ORDER:

1. The Committee was constituted for fixation of fee in respect of Self-Financing Professional Colleges under the Chairmanship of Hon'ble Mr. Justice K. VENKATARAMAN.
2. Most of the Engineering Colleges have submitted their proposal along with documents for revising / increasing the fees payable by the students.
3. In fact, 3 years back the fee has been revised and it is due for the academic year 2020-2021. Some of the colleges were inspected by the Chairman of the Committee himself and some colleges by the Sub-Committee appointed by the Chairman. Such Sub-Committee was appointed, since due to COVID-19 the, Chairman of the Committee could not visit the Colleges.

4. The report of the Sub-Committee, the documents enumerating the infrastructure provided in the respective colleges and the income and expenditure of the colleges were perused.
5. As stated already the Chairman himself visited certain colleges to find out the infrastructures available therein. The auditor also investigated the income and expenditures submitted by the various colleges.
6. The following seat sharing for admission of students in Self Financing Engineering Colleges is already in vogue for several years,

	Category-I (Govt. Quota)	Category-II (Seats retained by the Institution)	Total
Non- Minority Institutions	65%	35%	100%
Minority Institutions	50%	50%	100%

8. Though based on the available materials, the fees has to be revised / increased, due to COVID-19 it has been felt by the Committee that the parents of the students will find it very difficult to pay the fees. However, reasonable increase of fees has to be made considering the facilities available in the Engineering Colleges and income and expenditure.

- ii. The expenditure details submitted by the colleges in proposals
